Mariam Sings Amadou & Mariam

Monday 12th October, 2026
Free
Firth Hall

After forty-five years of love and music from the Malian duo Amadou & Mariam, April 2025 marked the end of the partnership when Amadou passed away. Mariam now returns to the road, still accompanied by her faithful musicians, to play the melodies that made the couple a success, as well as songs that make up the new album, L'Amour à la folie.

Come and hear Mariam's vibrant, Malian, worldbeat music on the Octagon stage!

Free Concerts on campus

Throughout term time we run free informal recitals and events in Firth Hall, including visiting guests and the performances from the talented students from the Department of Music.

These events are free to attend and are performed at lunch time and rush hour, which we believe make the events accessible for everyone to enjoy. To find out more about these events and to reserve your ticket, head to our website.
